INDEPENDENT AUDITOR'S REPORT

To: The Board of Directors of
Big Brothers Big Sisters of El Dorado County

Report on the Financial Statements

I have audited the accompanying financial statements of the Big Brothers Big Sisters of El Dorado County (a non-profit organization) , which comprise the statement of financial position as of December 31, 2014, and the related statements of activities and changes in net assets, functional expenses and cash flows for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statement that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

My responsibility is to express an opinion on these financial statements based on my audit. I conducted my audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, I express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

Opinion

In my opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Big Brothers Big Sisters of El Dorado County as of December 31, 2014, and the changes in its net assets and its cash flows for the year then ended, in conformity with accounting principles generally accepted in the United States of America.

Notes to Financial Statements

1.) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

General Information: Big Brothers Big Sisters of El Dorado County is a non-profit organization serving El Dorado County associated with the national Big Brothers and Big Sisters Organization. The purpose is to organize mature and interested adults to create an interaction with youth and to become a positive influence in the development of the youth's life.

Basis of Presentation: The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America. Net assets and revenues, expenses, gains, and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, net assets and changes therein are classified and reported as follows:

Unrestricted Net Assets : Net assets that are not subject to donor-imposed stipulations. Voluntary resolutions of the Board of Directors making self imposed limits are also considered unrestricted.

Temporarily Restricted Net Assets: Net assets subject to donor-imposed stipulation that may or may not be met, either by actions of the Organization and/or the passage of time. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as unrestricted.

Permanently Restricted Net Assets: Net assets subject to donor-imposed stipulations that may be maintained permanently by the Organization. Generally, the donors of these assets permit the Conservancy to use all or part of the income earned on any related investment for general or specific purposes.

Use of Estimates: The preparation of financial statements uses estimates rather than exact measures. The estimates commonly involve summarizations, judgments and allocations which are based on rules and conventions rather than exact amounts.

Functional Allocation of Expenses: The costs of providing the Organization's programs have been summarized on a functional basis in these financial statements. Based on estimates developed by management, costs have been allocated to the various programs as they relate to those programs and activities. Many of management and general costs are directly related to program activities and are allocated to programs, administrative and fundraising accordingly.

Property and Equipment: The organization follows the practice of capitalizing all expenditures over \$500 for land, building, and equipment; the fair value of donated fixed assets is similarly capitalized. Depreciation is provided on a straight line basis over the estimated useful lives of the assets.

Income Taxes: The Big Brothers Big Sisters of El Dorado County was incorporated in California on September 14, 1977. The Organization is a non-profit pursuant to a determination letter from the Internal Revenue Service in 1979 and is exempt from Federal income tax under the provisions of Code Section 501(c)(3) relating to organizations operated exclusively for charitable purposes.

Cash Equivalents: For the purposes of the statement of cash flows, the Organization considers cash and unrestricted highly liquid investments with initial maturities of three months or less to be cash equivalents. Cash received with donor imposed restrictions that are expected to be fulfilled within the next year are also considered cash equivalents.
